

Drizzle® Red SP 10

Ready-to-use sanitary foam cleaner, acidic

Area of application

- In the entire sanitary and wet area of hotels, offices and public facilities
- On all acid- and water-resistant materials and surfaces
- Particularly suitable for chrome surfaces

Product properties

- Foam cleaner
- Excellent dirt-removing capacity
- Easily removes lime, cosmetic and soap residues
- Low re-soiling due to easy-to-clean effect
- Material-compatible
- Streak-free gloss without subsequent drying
- Economical thanks to low consumption

Application and dosage

- Lather on a suitable cleaning cloth, clean the surface, then rinse with water.
- Rinse with clean water.
- Consumption: 5 - 10 ml / per m²

undiluted

Note

- Foam must not be applied directly to chrome fittings – allow product to foam on a cleaning cloth.
- Do not apply to lime-bound natural stones such as marble, Solnhofen slabs, travertine, shell limestone.
- Do not apply to aluminium, painted surfaces and acrylic glass.
- Changes or variations in colour of the product do not impact on the quality. The product image may differ in colour and shape from the original.
- **Safety:** Hazard statements and safety precautions can be found in the relevant safety data sheet, which is available at www.buzil.com.
- **Storage:** Always keep containers closed. Store at room temperature in the original container. Consume opened containers within 9 months.
- **Environmental:** Feed residual emptied containers to the dual system. For detailed information see environmental information.
