

Corridor® Matt S 737

Silky-matt dispersion

Area of application

- Ideal for use in healthcare facilities such as hospitals, nursing homes and doctor's offices as well as other areas where disinfectants are used
- Suitable for sports and multi-purpose halls
- For all water-resistant, coatable (including residual moisture) and thoroughly cleaned floor coverings such as PVC and linoleum
- Coatable PUR-modified coverings

Product properties

- Hard-wearing, silk-matt polymer dispersion
- Very good filling power and good flow properties
- Forms a dirt-repellent and abrasion-resistant care film
- Facilitates maintenance cleaning through higher surface performance
- Fluorine-free
- Silicone-free
- Free of metal salt
- Tested according to FMPA DIN 18032/2 for sports floors
- Optimal alcohol and disinfectant resistance

Application and dosage

- Shake before use.
- Apply undiluted a thin layer in 2 – 3 layers.
- Consumption: 25 - 35 ml / per m² / per order

undiluted

Note

- Protect from frost.
- Before processing, turn off heat sources (underfloor heating, heating, hot supply air).
- Avoid direct sunlight.
- The more thoroughly the stripping and rinsing of open-pore floor coverings such as linoleum are carried out, the better the properties of the coating are supported.
- A single, temporary exposure on the surface without mechanics, to commercially available disinfectants (max. 15 Minutes of continuous stress) is tested and does not cause any damage to the coating surface.
- Changes or variations in colour of the product do not impact on the quality. The product image may differ in colour and shape from the original.
- **Safety:** Hazard statements and safety precautions can be found in the relevant safety data sheet, which is available at www.buzil.com.
- **Storage:** Always keep containers closed. Store at room temperature in the original container. Consume opened containers within 9 months.
- **Environmental:** Feed residual emptied containers to the dual system. For detailed information see environmental information.

Further information

- **Product colour:** white
- **GISBAU code:** GE 10
- **UFI code:** JJU0-K038-C006-775A
- For professional use only.

Sales units

- S737-0010RA: 1 x 10 l canister
