

Buz[®] Laundry Compact L 810

Highly concentrated liquid detergent

Area of application

- For the commercial sector
- For all washing temperatures
- For all water hardness ranges
- Suitable for cotton, microfibre, viscose, polyester, polyamide, polypropylene

Product properties

- Efficient, powerful surfactant system for the ultimate removal of dirt
- Optimal lime binding capacity due to special complexing agents
- Perfect whiteness due to optical brighteners
- High dirt holding capacity – therefore dissolved dirt not dragged onto the fibre
- Protection from greying
- Effortlessly removes dirt such as street dirt, soot, grease & oils, urine, etc
- VAH-listed washing process in combination with Buz[®] Laundry Bright L 832

Application and dosage

- Washing temperatures from 30°C - 95°C.
- For automatic and manual dosing. The recommended dosage depends on the amount of dirt, the water hardness and the load.

10 - 30 ml / kg
(Dry laundry)

2 ml L 832 + 2 ml L 810/l Flotte
Temperatur: 60 °C

- Textile cleaning: For automatic and manual dosing. The recommended dosage depends on the amount of dirt, the water hardness and the load.

Note

- Please observe the washing and care instructions of the textiles.
- Changes or variations in colour of the product do not impact on the quality. The product image may differ in colour and shape from the original.
- **Safety:** Hazard statements and safety precautions can be found in the relevant safety data sheet, which is available at www.buzil.com.
- **Storage:** Always keep containers closed. Store at room temperature in the original container. Consume opened containers within 9 months.
